Reasonable Rates. Excellent Service, Always.
Auction Rules and Requirements

By bidding on Silent or Live Auction items, the bidder agrees to the following rules.

All sales are final; no exchanges or refunds will be given. Value set on auction items are estimates only and are not warranted by Rotary in any manner. The highest bidder agrees that his or her bid is a legal contract to purchase the item shown. All items must be removed the night of the auction unless special arrangements have been made. All risk of loss is the Bidder’s for any items not picked up the evening of the event.

The purchaser of any silent or live auction item(s) assumes all risks and hazards related to the auction and items obtained at the auction. Each bidder agrees to hold harmless the Downtown Yakima Rotary, the Yakima Rotary Charities, their board members, employees, the auctioneer, the event organizers, donors, sponsors and/or volunteers connected with the 2012 Yakima Downtown Rotary Auction.

Out of courtesy to our donors, all goods and services must be claimed and used within one year of the auction date, unless otherwise stated on the item gift certificate or in the auction catalogue, or otherwise arranged with the donor. Donors have been most generous in donating their condominiums and beach or mountain homes. It is the responsibility of the successful bidder to leave those accommodations in the same condition as they were on arrival.

Certificates for Travel Credit have no cash value. Travel Credits will be paid upon submission to Downtown Rotary of proof of payment of the actual travel necessary to use the Auction Item. Travel Credits are for reimbursement of travel expenses actually incurred to use the Auction Item only.

Yakima Rotary Charities is a qualified nonprofit corporation under the IRS code 501(c) 3. Consult your personal tax advisor.
